Ecopiety Sarah McFarland Taylor, 2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It's time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in *Fifty Shades of Grey* to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in *True Blood* the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action

[Fan Fiction and Fan Communities in the Age of the Internet](#)

Karen Hellekson, Kristina Busse, 2014-09-17 Fans have been responding to literary works since the days of Homer's *Odyssey* and Euripides' *Medea* More recently a number of science fiction fantasy media and game works have found devoted fan followings The advent of the Internet has brought these groups from relatively limited face to face enterprises to easily accessible global communities within which fan texts proliferate and are widely read and even more widely commented upon New interactions between readers and writers of fan texts are possible in these new virtual communities From *Star Trek* to *Harry Potter* the essays in this volume explore the world of fan fiction its purposes how it is created how the fan experiences it Grouped by subject matter essays cover topics such as genre intersection sexual relationships between characters character construction through narrative and the role of the beta reader in online communities The work also discusses the terminology used by creators of fan artifacts and comments on the effects of technological advancements on fan communities Instructors considering this book for use in a course may request an examination copy here

The Top Books of the Year Community Favorite Vampire Romance Saga The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Community Favorite Vampire Romance Saga : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Community Favorite Vampire Romance Saga : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
