Communication and Interaction on Instagram. A Psychological Science Perspective Kaan Akkanat, 2015-02-17
Essay from the year 2012 in the subject Communications Mass Media grade 1 33 Jacobs University Bremen gGmbH language English abstract We re communicators by nature and things like Instagram offer us a new language to speak with say Daryl Peveto and Matt Slaby from Luceo Image Agency in a recent interview about the shifts in the paradigms of photographic and online communication Laurent 2012 Considering the increasing volume of communication via online channels their words may be interpreted as not surprising at all However the universe of social media platforms shows a great diversity in terms of the distinct offerings for different motivational needs of the users Inspiring from this variance this paper will first highlight the distinct features of Instagram Secondly the paper will attempt to assert Instagram into an alternative and empirically supported framework of social media goals by Hoffman and Novak 2012 in order to differentiate its utility from other platforms Thirdly the paper will critically compare and contrast Instagram and other well known social media platforms Facebook Twitter LinkedIn Xing Google on the basis of variety of theories like social interaction self understanding and self expression A subsequent conclusion will then be formulated with respect to the whole analysis Spirituality in the Selfie Culture of Instagram Petra P. Sebek, 2019-03-22 This explorative study of personal spiritual expressions on Instagram generated important data in relation to the emerging field of cyberspirituality and showed the need for further development and research The book reveals several forms of spirituality present on Instagram mainly belonging to secular spirituality Many spiritual practices emerged in posts from all over the world demonstrated through photography as spiritual practice The Internet and social media in particular present an opportunity for individuals and communities to develop spiritual narrative when communicating online especially with young people who are more likely to express themselves as spiritual but not religious Spiritual authenticity on social media as a part of building spiritual capital is an important step Social Media Marketing on Instagram. Exploration of Strategic Perspectives Lisa Jessen, 2018-06-20 Master s Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world s leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram s combination of emotional visual content story telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple case study design The framework and

the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group The Influence of Mobile Application Usability on Instagram Users' Contribution Behavior Via S-O-R Framework: Incentive as Moderator [11], 2016
