Her father's arrest for securities fraud stripped her of the privileged life she knew. Their mansion was seized and with no money left to pay for college she's left to navigate a world that's colder and crueler than she ever imagined. Alone, broke and with nowhere to turn April's only hope comes in the form of a job at an upscale country club arranged by a sorority sister. But when a member crosses a line and touches her inappropriately she's fired without a second thought. Betrayed and humiliated she's forced to face the harsh reality of her new life. Enter Nigel Conroy, an enigmatic billionaire who seems darkly dangerous. He's heard of April's plight and is hell bent on making the country club pay. He'll destroy them with the ruthless precision of someone who has nothing to lose. But as his obsession with her grows April realizes that Nigel's power isn't just in his wealth but in the raw magnetic way he sees through her into the depths of her vulnerability and desires. April wants to resist. She wants to keep her independence but the heat between them is undeniable. In Nigel she might just find something she's been craving all along. Passion, danger.
