

300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?
