Trending Romantasy International Bestseller:

Inside Book Publishing Angus Phillips, Giles Clark, 2025-02-28 Now fully revised and updated for its seventh edition Inside Book Publishing is the classic introduction to the book publishing industry. The book provides excellent overviews of the main aspects of the publishing process: commissioning authors, product development, design and production, marketing and sales. Angus Phillips and Giles Clark offer authoritative and up-to-date coverage of all sectors of the industry, from commercial fiction to educational publishing and academic journals. They reveal how publishers continue to adapt to a fast-changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth in audio. The topics explored include AI, social media in marketing, sustainable book production, open access for research and diversity, equity and inclusion. International case studies from industry experts give perspectives on, for example, comic books, children's picture books, women in Indian publishing and the Korean literary wave. As a manual for those in the profession and a guide for the publishers of the future, this book remains a seminal work for anyone with an interest in the industry. It will also be of interest to authors seeking an insider's view of this exciting industry. The book is supported by online resources, including a glossary, a further reading list and links to a range of online resources available at www.routledge.com/9781032516554.

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13-digit number on the back of a book costs \$125 in the United States but is completely free in Canada and India? This book, *The Global ISBN Handbook*, is your 2025 guide to the International Standard Book Number. It explains everything about this global fingerprint for books. The ISBN is the most important cornerstone of the publishing industry. It started as a simple warehouse tool in the 1960s. Now it is a complex digital identifier used in over 200 countries. This handbook deconstructs the entire system. It uses 15 distinct national case studies to do this. You will learn how the old 10-digit system changed to the new 13-digit one. We break down the five parts of the ISBN from the Bookland prefix to the final check digit. The book explores the global governance framework starting with the International ISBN Agency. Then it dives deep into how different countries run their systems. You'll see the privatized high-cost model in the United States, compared to Canada's free government-run system. We explore the industry-led models in Brazil and Germany. We look at government-run systems in Mexico and India. We even cover the unique case of China where the ISBN is not a simple identifier but a state-controlled publication license. The book also examines the systems in the UK, France, Russia, Japan, Australia, South Africa, Nigeria, and Egypt. Many books and websites can tell you how to get an ISBN. This handbook is the only resource that explains why the process is so different everywhere you look. It moves beyond a simple how-to and provides a true global analysis. It directly compares the privatized for-profit models in the US and UK against the free public good systems in Canada and South Africa. You won't just learn the price; you will understand the cultural policies, market structures, and legal philosophies that shape that price. This book shows how the ISBN is a global mirror. It reveals how a simple number can be a commercial product in one nation, a tool of cultural

policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair use [Writers' & Artists' Yearbook 2025](#) Bloomsbury Publishing, 2024-08-29 What is your best investment Buying a copy of the Writers Artists Yearbook Kimberley Chambers This bestselling Writers Artists Yearbook contains a wealth of information on all aspects of writing and becoming a published author plus a comprehensive directory of media contacts Packed with practical tips it includes expert advice from renowned authors and industry insiders on submitting to agents and publishers writing non fiction and fiction across different genres and formats poetry plays broadcast media and illustration marketing and self publishing legal and financial information writing prizes and festivals Revised and updated annually the Yearbook includes thousands of industry contacts and over 80 articles from writers of all forms and genres including award winning novelists poets and playwrights scriptwriters for TV radio and videogames If you want to find a literary or illustration agent or publisher would like to self publish or to crowdfund your creative idea then this Yearbook will help you New content for this edition includes articles on If at first you don t succeed by Jessica Irena Smith The importance of story development by Greg Mosse Writing for readers by Rachel McLean Creating a poetry comic by Chrissy Williams Ghosting writing other people s stories by Gillian Stern Romantic motifs by Sue Moorcroft How a publicist can help you by Hannah Hargrave Writing across forms by Rob Gittins Pitching your travel ideas by Jen Sim Benson The hybrid author by Simon McLeave The wealth of information is staggering The Times [Writers' Handbook 2026](#) J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter com s annual directory for writers is the perfect book for anyone searching for literary agents book publishers or magazines It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you re looking for The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both The number of genres in the index has expanded to over 950 So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance The new edition includes Over 600 literary agents and agencies Over 350 magazines and Over 400 publishers that don t charge fees International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries With more and more agents

publishers and magazines accepting submissions online this international outlook is now more important than ever There are no adverts no advertorials and no obscure listings padding out hundreds of pages By including only what's important to writers contact details for literary agents publishers and magazines this directory is able to provide more listings than its competitors at a lower price The book also allows you to create a subscription to the firstwriter.com website for free until 2027 This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more I know firsthand how lonely and dispiriting trying to find an agent and publisher can be So it's great to find a resource like firstwriter.com that provides contacts advice and encouragement to aspiring writers I've been recommending it for years now Robin Wade literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber

A.

MacLean, 2024-08-13 As head phoenix keeper at a world renowned zoo for magical creatures Aila's childhood dream of conserving critically endangered firebirds seems closer than ever. There's just one glaring caveat: her zoo's breeding program hasn't functioned for a decade. When a tragic phoenix heist sabotages the flagship initiative at a neighbouring zoo, Aila must prove her derelict facilities are fit to take the reins. But saving an entire species from extinction requires more than stellar animal handling skills: carnivorous water horses, tempestuous thunderhawks, mischievous dragons... Aila has no problem wrangling beasts. Inspiring zoo patrons? That's another story. Mustering the courage to ask for help from the hotshot griffin keeper at the zoo's most popular exhibit. Virtually impossible. Especially when that hotshot griffin keeper happens to be her arch rival from college, Luciana, an annoyingly brooding and insufferable know-it-all with the grace of a basilisk and the face of a goddess who's convinced that Aila's beloved phoenix would serve their cause better as an active performer rather than as a passive conservation exhibit. With the world watching and the threat of poachers looming, Aila's success is no longer merely a matter of keeping her job. She is the keeper of the phoenix and the future of a species now rests on her shoulders. There's just one thing she has to remember: she is also not alone. Against an epic fantasy backdrop teeming with all your favourite mythical beasts from dragons and unicorns to kelpies and krakens, The Phoenix Keeper combines the cozy fantasy stakes of TJ Klune and Travis Baldree with the heartwarming contemporary romance of Alice Oseman and Casey McQuiston.
