**The Cambridge Companion to Jewish Theology** Steven Kepnes, 2020-12-17 The Cambridge Companion to Jewish Theology offers an overview of Jewish theology an aspect of Judaism that is equal in importance to law and ethics Covering the period from antiquity to the present the volume focuses on what Jews believe about God and also about the relation of God to humans and the world Parts I and II cover exciting new research in Jewish biblical and rabbinic theology medieval philosophy Kabbalah mysticism and liturgy Parts III and IV turn to modern theology with an exploration of works by leading figures such as Rabbi Abraham I Kook Franz Rosenzweig and Emmanuel Levinas as well as the relation of theology to issues such as feminism and the Holocaust and the relation of Judaism to other world religions In Part V the book explores how the insights of analytic philosophy have been integrated with Jewish theology The Living Church, 2004-07 Official Guide to Catholic Educational Institutions and Religious Communities in the United States, 1963 Power and the Pulpit Gerald Hiestand, Joel Lawrence, 2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church's adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God's word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching 300 Years of the French in Old Mines Mark G. Boyer, 2021-07-23 The village of Old Mines is the oldest settlement in the state of Missouri Lead miners were in Old Mines as early as 1719 The founding of Old Mines in 1723 coincides with the land grant awarded to Philippe Francois Renault by French authorities on June 26 1723 to mine lead Thus the oldest village in Missouri began as a mining town In 2023 the village marks three hundred years of the French in Old Mines This book narrates the history of people in remote Louisiana and how they have kept alive a French heritage of culture and customs The history of Old Mines is tightly bound to the Catholic faith the French settlers brought with them the parish they founded and the church schools rectories and convents they built The decade of the 2020s is filled with over twenty anniversaries to be marked and celebrated in the oldest mining town in Missouri itself marking its Bicentennial in 2021 This is not a scholarly writing of history it is a thirty chapter narrative grounded in research

of the continual presence of the French in Old Mines for three hundred years     *The Long Way Home* Jeff Lukich,2025-11-14  
Have you ever felt the quiet pull to return to the Catholic Church but weren't sure where to begin Millions of Catholics have stepped away from the church often carrying questions, regrets or a quiet sense of loss Yet the desire to come home to belong again never fully disappears In *The Long Way Home* Jeff Lukich shares his own return after decades away weaving personal story with encouragement for those who feel the same longing Written as a practical guide for fallen away Catholics it is also a resource for family members who hope to support loved ones and for clergy who minister to those considering a return With honesty and humility Lukich reminds readers that coming back is possible that the doors of the church remain open and that God never stops pursuing them Part memoir and part roadmap this book offers hope to anyone seeking faith and a powerful reminder that no matter how far someone wanders God never stops calling them home     **Our Sunday Visitor's**

**... Catholic Almanac** ,2014     *Any Body There?* Craig Michael Mueller,2017-07-21 Any body there we may wonder as we watch people engage with their smart phones while being oblivious to what is going on around them Anybody there is the question facing the church as it wrestles with declining religious affiliation Craig Mueller considers this contemporary context and offers a response based in an incarnational spirituality accentuating the body and finding expression in corporate multisensory liturgy Mueller creatively weaves together topics from our digital lives with personal and congregational stories and theological liturgical and spiritual reflections Concepts such as virtuality the analog 24/7 connectivity access design and GPS are juxtaposed with themes of embodiment mortality sabbath mystery beauty and vocation Drawing on his experience as a pastor to millennials his studies in liturgical theology and his work on the effects of technology on daily life Mueller proposes that corporate worship is an antidote to the distraction fragmentation and spiritual hunger in society today As humans continue to merge with machines participation in the Sunday liturgy reminds us of what it means to be human a deeper connection to our bodies and the earth and a clear sense of purpose and mission for our everyday lives
