Damaged Identities Narrative Repair Paperback 2001
Author Hilde Lindemann Nelson

Naomi Scheman, Peg O'Connor

Damaged Identities Narrative Repair Paperback 2001 Author Hilde Lindemann Nelson:

Feminist Interpretations of Ludwig Wittgenstein Naomi Scheman, Peg O'Connor, 2010-11-01 The original essays in this volume while written from diverse perspectives share the common aim of building a constructive dialogue between two currents in philosophy that seem not readily allied Wittgenstein who urges us to bring our words back home to their ordinary uses recognizing that it is our agreements in judgments and forms of life that ground intelligibility and feminist theory whose task is to articulate a radical critique of what we say to disrupt precisely those taken for granted agreements in judgments and forms of life Wittgenstein and feminist theorists are alike however in being unwilling or unable to make sense in the terms of the traditions from which they come needing to rely on other means including telling stories about everyday life to change our ideas of what sense is and of what it is to make it For both appeal to grounding is problematic but the presumed groundedness of particular judgments remains an unavoidable feature of discourse and as such in need of understanding For feminist theory Wittgenstein suggests responses to the immobilizing tugs between modernist modes of theorizing and postmodern challenges to them For Wittgenstein feminist theory suggests responses to those who would turn him into the normal philosopher he dreaded becoming one who offers perhaps unorthodox solutions to recognizable philosophical problems In addition to an introductory essay by Naomi Scheman the volume s twenty chapters are grouped in sections titled The Subject of Philosophy and the Philosophical Subject Wittgensteinian Feminist Philosophy Contrasting Visions Drawing Boundaries Categories and Kinds Being Human Agents and Subjects and Feminism s Allies New Players New Games These essays give us ways of understanding Wittgenstein and feminist theory that make the alliance a mutually fruitful one even as they bring to their readings of Wittgenstein an explicitly historical and political perspective that is at best implicit in his work The recent salutary turn in analytic philosophy toward taking history seriously has shown how the apparently timeless problems of supposedly generic subjects arose out of historically specific circumstances These essays shed light on the task of feminist theorists along with postcolonial queer and critical race theorists to in Wittgenstein s words rotate the axis of our examination around whatever real need s might emerge through the struggles of modernity s Others Contributors besides the editors are Nancy E Baker Nalini Bhushan Jane Braaten Judith Bradford Sandra W Churchill Daniel Cohen Tim Craker Alice Crary Susan Hekman Cressida J Heyes Sarah Lucia Hoagland Christine M Koggel Bruce Krajewski Wendy Lynne Lee Hilda Lindemann Nelson Deborah Orr Rupert Read Phyllis Rooney and Janet Farrell Smith **The Blackwell Guide to Feminist Philosophy** Eva Feder Kittay, Linda Martín Alcoff, 2008-04-30 The Blackwell Guide to Feminist Philosophy is a definitive introduction to the field consisting of 15 newly contributed essays that apply philosophical methods and approaches to feminist concerns Offers a key view of the project of centering women s experience Includes topics such as feminism and pragmatism lesbian philosophy feminist epistemology and women in the history of philosophy **Medical Humanities Review** , 1998 **Stories Matter** Rita Charon, Martha Montello, 2004-04-16 First published in 2002 Routledge

is an imprint of Taylor Francis an informa company **Re-Authoring the World** Chene Swart,2013-12-06 Reauthoring the World invites readers to a transformational way of being in the world It translates the Narrative Therapy approach and practices for people outside the therapeutic context that are interested in shifting the stories of their own lives as well as the communities and organisations that they work in **The Renewal of Generosity** Arthur W. Frank,2009-11-19

Contemporary health care often lacks generosity of spirit even when treatment is most efficient Too many patients are left unhappy with how they are treated and too many medical professionals feel estranged from the calling that drew them to medicine Arthur W Frank tells the stories of ill people doctors and nurses who are restoring generosity to medicine generosity toward others and to themselves The Renewal of Generosity evokes medicine as the face to face encounter that comes before and after diagnostics pharmaceuticals and surgeries Frank calls upon the Roman emperor Marcus Aurelius philosopher Emmanuel Levinas and literary critic Mikhail Bakhtin to reflect on stories of ill people doctors and nurses who transform demoralized medicine into caring relationships He presents their stories as a source of consolation for both ill and professional alike and as an impetus to changing medical systems Frank shows how generosity is being renewed through dialogue that is more than the exchange of information Dialogue is an ethic and an ideal for people on both sides of the medical encounter who want to offer more to those they meet and who want their own lives enriched in the process The Renewal of Generosity views illness and medical work with grace and compassion making an invaluable contribution to expanding our vision of suffering and healing *Biography* ,2002 **International Philosophical Quarterly** ,2002

Philosophy at 3:AM Richard Marshall,2014-04-03 The appeal of philosophy has always been its willingness to speak to those pressing questions that haunt us as we make our way through life What is truth Could we think without language Is materialism everything But in recent years philosophy has been largely absent from mainstream cultural commentary Many have come to believe that the field is excessively technical and inward looking and that it has little to offer outsiders The 25 interviews collected in this volume all taken from a series of online interviews with leading philosophers published by the cultural magazine 3ammagazine com were carried out with the aim of confronting widespread ignorance about contemporary philosophy Interviewer Richard Marshall s informed and enthusiastic questions help his subjects explain the meaning of their work in a way that is accessible to non specialists Contemporary philosophical issues are presented through engaging but serious dialogues that taken together offer a glimpse into key debates across the discipline Alongside metaphysics philosophy of mind epistemology logic philosophy of science philosophy of language political philosophy and ethics discussed here are feminist philosophy continental philosophy pragmatism philosophy of religion experimental philosophy bioethics animal rights and legal philosophy Connections between philosophy and fields such as psychology cognitive science and theology are likewise examined Marshall interviews philosophers both established and up and coming Engaging thoughtful and thought provoking inviting anyone with a hunger for philosophical questions and answers to join in Philosophy at 3 AM shows that

contemporary philosophy can be relevant and even fun **Choice** ,2002 Publications of the Modern Language Association of America Modern Language Association of America,2004 Publications of the Modern Language Association of America ,2004 *The Catholic Periodical and Literature Index* ,2002 **Books in Print Supplement** ,2002

Forthcoming Books Rose Arny,2001 Book Review Index ,2003 Every 3rd issue is a quarterly cumulation *Injured Identities, Narrative Repair* Hilde Lindemann Nelson,2000
