Constancy and the Ethics of Jane Austen's 'Mansfield Park' Joyce Kerr

Tarpley,2010 Constancy and the Ethics of Jane Austen s Mansfield Park addresses the ethical dimension of Austen s thought in her most controversial novel Mansfield Park by examining the portrayal of her least popular heroine Fanny Price and by focusing on her most important virtue constancy My aim is to show the way in which Austen s ethical system works by using constancy as a unifying principle for her ethics and by analyzing its Christian basis I hope to offer a reading that allows the richness and complexity of the characters and incidents in the novel to unite within a coherent whole To do this I conduct a book length exploration of constancy whose primary ethical function is to ground the practice of virtue by regulating other virtues common to Austen heroines including self knowledge love or genuine affection gratitude and humility from the Preface
