

# Daily Reading Comprehension

GRADE  
1WEEK  
8DAY  
1**Who and What**

Students read to determine "who" (the main character) and "what" (the main character's actions).

Tell students that this week they will practice finding the main character in stories and paying attention to what the character does. Say, "The main character is the person or thing the story is mostly about. Direct students' attention to the illustration. Say, 'This picture gives clues about the main character. What do you think the main character is?' Let's read the story to find out the cat's name and what the cat does." Guide students to complete the first activity. With each item, help students locate the answer in the story and reread those sentences. Have students do the right words with a partner. They should read all the words out loud before deciding on their answer.
