**The Diaries of Sally and Pamela Brown, 1832-1838** Sally Brown, 1970    [Railroad Journal](#) , 1950    **Che's Afterlife** Michael J. Casey, 2012-06-06 In 1960 Cuban photographer Alberto Korda captured fabled revolutionary Ernesto Che Guevara in what has become history s most reproduced photo Here Michael Casey tells the remarkable story of this image detailing its evolution from a casual snapshot to an omnipresent graphic plastered on everything from T shirts to vodka to condoms and into a copyrighted brand As Casey follows it across the Americas and through cyberspace he finds governments exploiting it and their dissenters attacking it merchants selling it and tourists buying it We see how this image is ultimately a mercurial icon that still ignites passion and a reflection of how we view ourselves    **Mussolini in the First World War** Paul O'Brien, 2014-03-04 How did Benito Mussolini come to fascism Standard accounts of the dictator have failed to explain satisfactorily the transition from his pre World War I socialism to his post war fascism This controversial new book is the first to examine closely Mussolini s political trajectory during the Great War as evidenced in his journalistic writings speeches and war diary as well as some previously unexamined archive material The author argues that the 1914 18 conflict provided the catalyst for Mussolini to clarify his

deep rooted nationalist tendencies He demonstrates that Mussolini's interventionism was already anti socialist and anti democratic in the early autumn of 1914 and shows how in and through the experience of the conflict the future duce fine tuned his authoritarian and totalitarian vision of Italy in a state of permanent mobilization for war Providing a radical new interpretation of one of the most important dictators of the twentieth century Mussolini in the First World War will appeal to anyone who wants to learn more about the roots of fascism in modern Europe *The Wilderness Warrior* Douglas
