## **Diary Of A Fed Up Teacher:**

**Diary of a Fed Up Teacher** Chip Putnam, 2016-02-23 A fictionalized diary of one high school teacher's school year Told with equal measures of dry wit pathos and hope this is an engaging story for teacher and non teachers alike Discipline Your Child Laxmi Mitra, 2012-02-03 UNLEASH THE POTENTIAL OF YOUR CHILD THROUGH DISCIPLINE Every parent guardian or individual must have this book Discipline Your Child is a book that encompasses the ABCs of discipline its meaning and importance It is a step by step guide that teaches parents how to instill discipline in their child A child must possess certain values attitudes or skills for him to be successful in life Each is thoroughly explained and a step by step guide is provided for the implementation Many true to life experiences are shared Knowing your child's learning style and learning how to motivate him is an essential part in the growth process Also parents may experience several problems when instilling discipline Every problem is explained and a possible solution is presented Once you have embarked on the discipline process you will see some transformation in your child's behavior Your child's potential will slowly be unleashed Initially the improvement may be slow After some time you will see the transformation of your child's behavior Over time he will learn to be responsible and independent This will help him become a successful person Teacher Laxmi the author went through her own process of being disciplined She tried to understand what her students were experiencing and wanted to experience the same thing In the process she grew as a person She became more responsible and independent After discovering the discipline process she realized that it was important for her to share her experiences with everyone Happy Reading

*More! Level 4 Teacher's Book* Cheryl Pelteret, Herbert Puchta, Jeff Stranks, 2009-04-30 MORE is a four level course from a highly respected author team that's bursting with features for lower secondary students With dedicated reading culture grammar vocabulary skills and cross curricular learning sections plus a wide range of flexible components you really do get more with MORE The Teacher's Book contains warm up activities detailed guidance on how to get the best out of the course answer keys and Extra idea sections for fast finishers The Newark Teacher Strikes Steve Golin, 2002-05-01 For three weeks in 1970 and for eleven weeks in 1971 the schools in Newark New Jersey were paralyzed as the teachers went on strike In the wake of the 1971 strike almost two hundred were arrested and jailed The Newark Teachers Union said their members wanted improved education for students The Board of Education claimed the teachers primarily desired more money After interviewing more than fifty teachers who were on the front lines during these strikes historian Steve Golin concludes that another equally important agenda was on the table and has been ignored until now These professionals wanted power to be allowed a voice in the educational agenda Through these oral histories Golin examines the hopes of the teachers as they picketed risking arrest and imprisonment Why did they strike How did the union represent them How did their action and incarceration change them Did they continue to teach in impoverished schools Golin also discusses the tensions arising during that period These include differences in attitudes toward unions among black Jewish and Italian teachers different

organizing strategies of men and women and conflict between teachers professional and working class identities The first part of the book sets the stage by exploring the experience of teachers in Newark from World War II to the 1970 strike After covering both strikes Golin brings the story up to 1995 in the epilogue which traces the connection between educational reform and union democracy Teacher Power enhances our understanding of what has worked and what hasn't worked in attempts at reforming urban schools Equally importantly the teachers vivid words and the author's perceptive analysis enables us to view the struggles of not just Newark but the entire United States during a turbulent time *Educating*

Jürgen Jaspers, 2024 This book shows that teachers at monolingual schools in Brussels approach their multilingual pupils in quite ambivalent ways severely imposing the school language but also recognizing pupils multilingualism Underlining this ambivalence is important because the scientific literature typically prefers a focus on teachers who either support or suppress their pupils multilingualism Much ordinary inconsistent teacher behavior thus falls off the radar while those teachers who appear in the literature are either praised as critical or blamed as ideologically deceived This book thus explores uncharted territory it explains teachers inconsistency as a type of thinking and it suggests that we can evaluate their behavior in more complex terms than simply good or bad **Ferenczi on Freud's Couch** Yves Lugin, 2021-05-16 This fascinating book assesses Sándor Ferenczi's role in the history of psychoanalysis examining his personal analysis with Freud the father of the discipline The book delves into archival material to shed light on issues around transference between Freud and Ferenczi as well as Ferenczi's own development as the first analyst It offers a unique deciphering of the transmission of psychoanalysis distinguishing between self analysis personal analysis and training analysis including a discussion on the duration and end of treatment subjects rarely discussed in contemporary circles This book is an important read for practising clinicians and scholars alike *The Essential Guide to Tackling Bullying* Michele Elliott, 2013-08-27 What can you do to

reduce the impact of bullying at your school and create a safer learning environment The Essential Guide to Tackling Bullying arms you with the knowledge skills and strategies needed to confront and prevent the growing problem of bullying in the 21st century Michele Elliott founder of the children's charity Kidscape provides practical strategies for reducing bullying in your classroom and at your school along with tried and tested ideas for handling bullying when it does arise Using case studies real life examples and up to date research this is the guide you need to support both victims and bullies in your care and create a more positive environment for learning No child deserves to be bullied This book gives teachers the tools they need to prevent pupils suffering the torment of bullying I know what it is like to be bullied and wish this book had been there for me when I was a kid I hope every school will have a copy Gok Wan fashion consultant author and television
