**Invitation to Biblical Interpretation, 2nd ed.** Andreas Köstenberger, 2021-02-23 An authoritative guide to accurately interpreting and applying God's Word. In this second edition of *Invitation to Biblical Interpretation* Andreas Kostenberger leads the reader step by step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources as well as the sources cited throughout and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

[Basis of Preaching Biblical Message: Preach the Word](#)

Rev Dr Koningthung Ngoru Moyon, 2024-11-07. Public Speaking is one of the most important tasks and challenging to the human beings. It is imperative for all the committed Christians to learn, learn and live with the Biblical truths. As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law. Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational. Some are humourous while others use sound logic and well reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead learn from them and develop your own style as a good communicator. Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However, the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit.
