**Biblical-Theological Introduction to the Old Testament** Miles V. Van Pelt,2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it's one cohesive story tied together by the good news about Israel's coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ *An Introduction to the Old Testament* Tremper Longman III,2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of An Introduction to the Old Testament integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It's committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study *Dictionary of the Old Testament: Historical books* BILL T ARNOLD,HUGH G M WILLIAMSON,2020-05-21 The Dictionary of the Old Testament Historical Books is the second volume in IVP's Old Testament dictionary series This volume picks up where the Dictionary of the Old Testament Pentateuch left off with Joshua and Israel poised to enter the land and carries us through the postexilic period Following in the tradition of the four award winning IVP

ictionaries focused on the New Testament this encyclopedic work is characterized by in depth articles focused on key topics many of them written by noted experts The history of Israel forms the skeletal structure of the Old Testament Understanding this history and the biblical books that trace it is essential to comprehending the Bible The Dictionary of the Old Testament Historical Books is the only reference book focused exclusively on these biblical books and the history of Israel **Key Connections** M. A. Erickson,2023-12-06 Exploring the changes between the Old and New Testament provides an open window to the wide ranging vision of God s work in the human race It is actually a remarkable vision which stretches from the beginning of the universe to the end of time as we know it But many aspects of the Old Testament are difficult to understand today The ancient origins of the Old Testament OT explains part of the difficulty The OT was written thousands of years ago in cultures and time periods very different from our own These vast differences in culture make many practices in the OT seem unusual today Understanding and making sense of the changes between the OT and NT is one of the key purposes of this book Many changes become more understandable when you compare God s instructions for a nation OT with God s instructions for freely gathered communities of faith who follow Jesus as Messiah NT These changes will be highlighted in the chapters of this volume along with other key principles for understanding differences between the Old and New Testament God s greater purposes will be in view along with current insights and concepts *Dictionary of the Old Testament* Bill T. Arnold,Hugh Godfrey Maturin Williamson,2005 The history of Israel forms the skeletal structure of the Old Testament Understanding this history and the biblical books that trace it is essential to comprehending the Bible The Dictionary of the Old Testament Historical Books is the only reference book focused exclusively on these biblical books and the history of Israel

**Who Created Christianity?** Craig Evans,Aaron W. White,2020-01-01 Who Created Christianity is a collection of essays by top international Christian scholars who desire to reinforce the relationship that Paul had with Jesus and Christianity There is a general sense today among Christians in certain circles that Paul s teachings to the early Christian church are thought to be rogue even clashing at times with Jesus words Yet these essays set out to prove that the tradition that Paul passes on is one received from Jesus not separate from it The essays in this volume come from a diverse and international group of scholars They offer up to date studies of the teachings of Paul and how the specific teachings directly relate to the earlier teachings of Jesus This volume explores with even greater focus than ever before the tradition from which Paul emerges and the specific teachings that are part of this tradition This collection of essays proposes a complementary work to the work of David Wenham and his thesis that Paul was indeed not the founder of Christianity or the creator of Christian dogma instead he was a faithful disciple and a conveyer of a prior Christian tradition Includes essays by well known Christian scholars such as Craig Blomberg Alister McGrath N T Wright Michael Bird Greg Beale and more Paul and Jesus Issues of Continuity and Discontinuity in Their Discussion by Stanley E PorterHow and Why Paul Invented Christian Theology by N T WrightThe Origins of Paul s Gospel by Graham H TwelftreeWhen Paul Met Jesus How an Idea

### **Saving God's Face**

Jackson Wu, 2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God s glory praising Him and magnifying His name was simply another way of talking about honor and shame When the author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn t find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L>

### **Grace Leadership**

Russell L. Huizing, 2022-08-21 Drawing upon both Jewish and Christian scriptures this book lays a groundwork for understanding how grace is a critical element of leadership and followership studies This volume divided into three sections begins by defining the concept of grace leadership using biblical examples Part two discusses how grace leadership develops while the last part of the book offers contemporary examples of leaders displaying grace to their employees With cases from the military as well as organizational perspectives this edited collection adds a new wrinkle to the leadership literature and will appeal to scholars in HRM and organizational studies

### **Sanctified Imagination**

Ivan L. Hartsfield, 2023-07-14 The first of its kind this seminal work charts the unlikely

theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ COGIC the largest Pentecostal denomination in the United States Through fresh research and critical analysis this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason s theological understanding and that of the movement The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals position papers or theological treatises Instead these resources function as lived religion where the theological presuppositions are embedded in primitive worship ecstatic religious practices and countercultural distinctives By unpacking the lived religion of this self professed sanctified church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community

**Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III,Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther **Judgment and Salvation** Dustin G. Burlet,2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i e salvation not judgment The focus of the Genesis flood is acutely bent towards God s salvific rather than punitive purposes The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God s intention for creation is not thwarted and secondly God commits himself to his intentions of creation God s intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle **Dictionary of the Old Testament: Historical Books** Bill T. Arnold,H. G. M. Williamson,2005-11-11 Editors Bill T Arnold and Hugh G M Williamson present more than 160 in depth articles on the essential historical literary theological interpretive and background topics for studying the historical books of the Old Testament Joshua Judges 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah **The Ivp Bible Dictionary Series** Intervarsity Press,2001-01-01 Unique among reference books on the Bible the volumes of the IVP Bible Dictionary Series bridge the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accesible and summary format Articles cover traditional and contemporary topics including cross sectional themes methods of interpretation significant historical or cultural background and each Old and New Testament book as a whole In part and in whole the IVP Bible Dictionary Series presents the fruit of evangelical biblical scholarship at the intersection of the twentieth and twenty first centuries committed to the authority of

Scripture utilizing the best of critical methods and maintaining dialog with contemporary research and challenges facing the church    Commentary & Reference Survey John Glynn,2007 Now in its tenth edition this reliable acclaimed guide lists and ranks approximately 900 commentaries and 1 600 other biblical resources for the benefit of professors Bible students and pastors Two new chapters on exegetical software round out this comprehensive guide    **The New Interpreter's Study Bible** Walter J. Harrelson,2003 In a new study Bible based on The New Revised Standard Version with Apocrypha 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations brief introductions and outlines for each biblical book 19 newly commissioned historical maps and more

**Leviticus** Nobuyoshi Kiuchi,2007-04-19 Nobuyoshi Kiuchi comments on Leviticus in this Apollos Old Testament Commentary Its laws express the vast distance between sinful people and a holy God and enable us to appreciate God s grace in Christ These commentaries are scholarly and are equally suitable for use by scholars and all serious students of the Bible
