**Stone and Water** Roy Uprichard,2017-05-16 A little book that goes a long way A walk through hidden Galicia on the trail of saints and scholars      **Keep Walking, Your Heart Will Catch Up** Cathay O Reta,2025-06-05 Are you at a crossroads Have you experienced loss Or lost your way your passion your purpose Walk with this author on an ancient pilgrimage trail and maybe you'll find some answers for yourself Keep Walking is the inspiring tale of a modern day pilgrimage of self discovery transformation and renewal on the Camino de Santiago the centuries old 483 mile trail across northern Spain Newly widowed author Cathay Reta was in her mid 60s and looking for direction for her life She traveled alone to Spain and started walking She kept walking day after day through tears anger laughter sadness and loneliness Every day was a challenge and she often questioned why she was on the Camino Why not just go to a nice hotel drink sangria and think

through what to do the next thirty years Cathay learned that the physical struggle of the Camino brings out an inner breaking of the heart and soul It gives depth and tangibility to what s felt inside it makes a way for healing After 37 days she reached her destination no longer feeling lost or broken On the Camino she fell in love with herself again that adventurous hopeful soul she had slowly dismantled and buried years ago She learned that hardship is not necessarily a bad thing sometimes it s the most direct path to self discovery and renewal *The Way of Love* Angela Leslee,2019-02-15 There must be easier ways to heal a broken heart than walking 500 miles across Spain But it s hard to imagine one filled with more adventure laughter and excitement The author sets off armed with idealistic expectations and a backpack But then things quickly get real on the Camino and she soon learns a thing or two about humility vulnerability and letting go This many faceted journey forces her to confront her fears of walking alone in a foreign country The luxury of time allows her to take a long hard look at some of her cherished beliefs Then ultimately she makes a surprising discovery For more pictures to enhance your enjoyment of *The Way of Love* visit and Like the facebook page *The Way of Love on the Camino de Santiago*
