Exotic Desires Vol 2:

Exotic Desires M. S. Parker, 2015-05-04 When I discovered that Nami was born into royalty I knew that she was right Our worlds didn't belong together We needed to move on The problem was I didn't know if I could Reed Stirling is trying hard to forget ever meeting the exotic princess who crossed his path in Europe but as much as he's trying he can't As he heads back to Philadelphia he knows he has a choice to make a choice that is going to change the direction of his life forever All Nami Carr wanted was to experience a couple days like a normal person She'd told herself that she could let Reed go and focus on her duty for her country Now she isn't so sure Don't miss the exciting second book of M S Parker's newest smoking series *Exotic Desires* *Violence, Desire, and the Sacred, Volume 2* Scott Cowdell, Chris Fleming, Joel Hodge, 2014-01-30

This collection of state of the art interpretations of the thought of Ren Girard follows on from the volume *Violence, Desire and the Sacred* Girard's Mimetic Theory Across the Disciplines 2012 The previous collection has been acclaimed for demonstrating and showcasing Girard's mimetic theory at its interdisciplinary best by bringing together scholars who apply Girard's insights in different fields This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology politics classical literature national literature and practical applications of Girard's theory in pastoral spiritual care peace making and religious thought and practice **New Intimacies, Old Desires** Oishik Sircar, Dipika Jain, 2017-06-21

In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics

Published by Zubaan *Ethnicity as Desire* Emre Busse, 2024-11-04 What can ethnic differences tell us about the desiring gaze while addressing the motives that result from the power and desire in gay ethnic pornography in Europe How do pornographic films authenticate their ethnic subject in different European countries and how can the fetishism of presenting an authentically foreign body be best approached Is the transformation of sex tourism which affects countries differently reflected through the ever evolving history of gay pornography in Europe And how does this transformation contrast or overlap with the legacies of Orientalism and colonialism In addressing these questions this book will participate in ongoing

debates concerning Orientalism and colonialism and make a contribution to the growing field of pornography studies While recent works by scholars have considered the relation between US mainstream gay pornography and its representations of ethnicity and race and have also discussed examples from Europe predominantly France no historical study has yet bridged the gap between earlier European gay ethnic pornography and its current specifically German Turkish manifestations Furthermore this exploration of recent studios like GayHeim will also contribute to discussions on the mobility issues of non European men while illustrating how these new productions can be refugee or migrant positive while simultaneously perpetuating Orientalism

The Gift of Thorns A. J. Swoboda,2024-02-20 Today s follower of Jesus exists at a moment in history when our desires longings and wants are being weaponized against us by cultural spiritual and relational forces Follow your heart and You do you has become our moment s mantras The result for too many is feeling torn asunder by the raging desires within What do we do with our desire What about our unwanted desires And how do we cultivate desires which bring life and freedom and lead to Christ The Gift of Thorns by A J Swoboda addresses these questions and more The path forward is anything but easy It is assumed by too many in the Christian community that desire is in and of itself bad or dangerous and must be crucified for simply existing Desire is demonic for some But for many others particularly in the secular West desire must be followed through and through This side deifies desire But these two options sidestep the joy in the great challenge of finding God in our desire There exists an ancient and sacred way that is forged around the life wisdom and power of Jesus and his Spirit In short what makes a follower of Christ is not whether or not we have desires Rather it is what we do with the desires we have Near the end of the story of humanity s rebellion the theme of thorns is introduced As readers will discover the thematic repetition of thorns pops up over and over throughout the Bible What are the thorns for They will be in the words of God for you Gen 3 18 The premise of this book is that a world where we do not get all that we want is well the greatest gift ever
