EXPLORATION OF THE RICH AND INTRIGUING NATURE OF THE MODERN WORKPLACE Now in its seventh edition *Work in the 21st Century: An Introduction to Industrial and Organizational Psychology* is the most current and engaging textbook for courses on Industrial and Organizational I/O Psychology. This market leading textbook ties together themes and topics such as diversity, cognitive and physical abilities, personality, emotional intelligence, technology, multicultural dynamics, and evidence based I/O psychology with a clear, reader friendly narrative style. This new edition retains the accessibility of the previous editions, incorporating the latest research findings into every chapter and providing up to date organizational applications of the principles of I/O psychology. The scientist practitioner model continues to be the philosophical cornerstone of the text, further reinforcing the systems approach and stressing the interplay among different I/O psychology variables and constructs.

AN INTERACTIVE MULTIMEDIA LEARNING EXPERIENCE This textbook includes access to an interactive multimedia e-text. Icons throughout the print book signal corresponding digital content in the e-text: Video Content. Two types of videos complement the text and engage readers more deeply with the fascinating field of I/O Psychology. *Psychology Work Videos* explore interesting topics in industrial and organizational psychology. Informed by educational materials from the Society for Industrial and Organizational Psychology (SIOP), these videos feature vibrant footage and ask students thought provoking questions. General psychology videos provide overviews of topics such as the Five Factor Model of Personality and theories of motivation that might come to bear in the discussion of industrial and organizational psychology. *Interactive Figures, Charts, and Tables* appearing throughout the enhanced e-text, interactive figures, diagrams, and tables facilitate study and help students retain important information. Even many of the simplest figures are interactive to encourage online readers to pause and absorb the information they present before scrolling on to additional reading. *Interactive Self Scoring Quizzes*. Each chapter includes a self scoring Practice Quiz with feedback at both the question and quiz level to help students prepare for higher stakes assessments and exams.

Emotional Intelligence Toolkit Jim Grant, Susan David, 2015-04-01 A practical guide book to enhance emotional intelligence skills. This book provides the opportunity for you to reflect on how, why, when, and where your emotions interact with and contribute to or sabotage your thinking and behavior in all areas of your life. With increased understanding and the practical tools provided throughout this book, you will be able to effectively target the areas you want to improve, further develop your areas of strength, and help you achieve outcomes that are of value to you. The book guides you through each of the MSCEIT's four branches and eight tasks, gives further information about them, and discusses the real life implications and possibilities for improvement in these areas. It offers tips for greater effectiveness and development exercises to help you integrate and personalize the information for your circumstances.

Emotional Intelligence in Everyday Life Joseph Ciarrochi, Joseph P. Forgas, John D. Mayer, 2013-10-14 Since the release of the very successful first edition in 2001, the field of emotional intelligence has grown in sophistication and importance. Many new and talented researchers have come into the field, and techniques in EI measurement have dramatically increased so that we now

know much more about the distinctiveness and utility of the different EI measures There has also been a dramatic upswing in research that looks at how to teach EI in schools organizations and families In this second edition leaders in the field present the most up to date research on the assessment and use of the emotional intelligence construct Importantly this edition expands on the previous by providing greater coverage of emotional intelligence interventions As with the first edition this second edition is both scientifically rigorous yet highly readable and accessible to a non specialist audience It will therefore be of value to researchers and practitioners in many disciplines beyond social psychology including areas of basic research cognition and emotion organizational selection organizational training education clinical psychology and development psychology
