Pinterest Reading Challenge Novel:

Reversing the Cult of Speed in Higher Education Jonathan Chambers, Stephannie Gearhart, 2018-10-26 A collection of essays written by arts and humanities scholars across disciplines this book argues that higher education has been compromised by its uncritical acceptance of our culture's standards of productivity busyness and speed Inspired by the Slow Movement contributors explain how and why university culture has come to value productivity over contemplation and rapidity over slowness Chapter authors argue that the arts and humanities offer a cogent critique of fast culture in higher education and reframe the discussion of the value of their fields by emphasizing the dialectic between speed and slowness

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero's masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other

Library Youth Outreach Kerol Harrod, 2014-01-21 With tightened library budgets the norm librarians run the risk of cutting back so much that they isolate themselves from their patrons and their communities This doesn't have to happen The outreach methods detailed in this book range from simple actions to detailed processes Each of the 26 chapters provides helpful information for both those new to library outreach and those with years of experience *Teaching Modernist Women's Writing in English* Janine Utell, 2021-04-25 Offers pedagogical techniques for teaching anglophone modernist writing by Virginia Woolf Gertrude Stein Dorothy Richardson Jean Rhys Nella Larsen and others Gives syllabus suggestions for undergraduate and graduate courses in literature and writing Covers topics such as feminism gender identity canon formation politics activism and war Suggests many digital humanities approaches *The Scandal of Adaptation* Thomas Leitch, 2023-04-21 The essays in this volume seek to expose the scandals of adaptation Some of them focus on specific adaptations that have been considered scandalous because they portray characters acting in ways that give scandal because they are thought to betray the values enshrined in the texts they adapt because their composition or reception raises scandalous possibilities those adapted texts had repressed or because they challenge their audiences in ways those texts had never thought to do Others consider more general questions arising from the proposition that all adaptation is a scandalous practice that confronts audiences with provocative questions about bowdlerizing ethics censorship contagion screenwriting and history The collection offers a challenge to the continued marginalization of adaptations and adaptation studies and an

invitation to change their position by embracing rather than downplaying their ability to scandalize the institutions they affront Time Flies Claire Cook, 2014-06-10 Two best friends a high school reunion and a rollicking road trip down memory lane Page 4 of cover *The Spectator*, 1899 *The Secret, Book & Scone Society* Ellery Adams, 2018-07-31 In this intriguing new series from New York Times bestselling author Ellery Adams a quirky club in small town North Carolina holds the keys to health happiness friendship and even solving a murder all to be found within the pages of the right book Strangers flock to Miracle Springs hoping the natural hot springs five star cuisine and renowned spa can cure their ills If none of that works they often find their way to Miracle Books where over a fresh baked comfort scone they exchange their stories with owner Nora Pennington in return for a carefully chosen book That's Nora's special talent prescribing the perfect novel to ease a person's deepest pain So when a visiting businessman reaches out for guidance Nora knows exactly how to help But before he can keep their appointment he's found dead on the train tracks Stunned Nora forms the Secret Book and Scone Society a group of damaged souls yearning to earn redemption by helping others To join members must divulge their darkest secret the terrible truth that brought each of them to Miracle Springs in the first place Now determined to uncover the truth behind the businessman's demise the women meet in Nora's cozy bookstore And as they untangle a web of corruption they also discover their own courage purpose and a sisterhood that will carry them through every challenge proving it's never too late to turn the page and start over Anyone who loves novels that revolve around books will savor this tasty treat Library Journal Starred Review **On the Way to You** Kandi Steiner, 2023-01-30 Bestselling Author Kandi Steiner delivers a breathtaking poignant romance and unforgettable adventure about two strangers and the road trip that will change both of their lives forever What makes you happy That was the question Emery Reed asked me the day we met and I couldn't give him a single answer I could have said my dog or my books or yoga but I just stared And then I got in his car It was crazy to take a road trip with a stranger but after years of standing still he was my one way ticket to a new life and I wasn't going to miss it We shared the same space the same car the same hotel room and still we were strangers One day we'd be laughing the next we wouldn't speak Emery was surrounded by impenetrable walls but I wanted in Discovering his journal changed everything I read his thoughts words not meant for anyone's eyes and the more I learned about him the harder I fell It turned out nothing made Emery Reed happy and I wanted to change that I earned his trust by violating his privacy and as wrong as it was it worked until one entry revealed a darkness I never knew existed a timer I never knew was ticking Suddenly what made me happy was saving Emery from himself I just didn't know if I could **Voices of Terror** Claude Virmonne, 1980 When her Great Aunt Rachel died Heather inherited the old woman's house But it wasn't until she went to live in it that she found the letter her aunt had never mailed They come in the night the letter said Strange noises that come from nowhere like whispers **Weightless** Kandi Steiner, 2016-06-16 Angst mystery and suspense collide in this bestselling breakout romance novel from Kandi Steiner I remember the lights I remember I wanted to photograph them the

The hottest college football safety in the nation just asked me to be his fake girlfriend And I just asked him to take my virginity Clay Johnson has the abs of Adonis and the deadly smirk of the devil himself There s hardly a day he s not headline material during football season and never a day he isn t a bullseye target for every girl on campus He used to be the easiest of all the players for me to wrangle as the Public Relations Coordinator but after a nasty breakup with his high school sweetheart he s a mess And a complete pain in my ass We meet to discuss his behavior and review media relations standards But when he witnesses how I fall to pieces in front of my guitar toting crush his wheels start turning And he cooks up this absurd plan He helps me get noticed I help him make his ex jealous All by pretending to be in a relationship What he doesn t realize is that this bookworm is a virgin and far from versed in seducing a musician So to sweeten the deal I convince him to help me not just to get my

crush's attention but to knock his socks off once I have it But the more I come unraveled at the hands of Clay Johnson the more trouble I have discerning what's fake and what's undoubtedly real particularly the way my heart flutters every time that breathtaking man touches me We set the rules We put the safeguards in place But they say rules are meant to be broken They probably should have added that hearts are too Blind Side is a spicy fake dating college sports romance with lessons and opposites attract It is a complete stand alone
