## Novel Longevity Secrets:

**Longevity Secrets Revealed** Antonio R. Reyes, 2009      Life Beyond 100 C. Norman Shealy, M.D., Ph.D., 2006-12-28

Using today's most leading edge therapies and breakthroughs in the science of longevity C Norman Shealy one of the pioneering holistic physicians of our time shows how we can healthfully age to one hundred and beyond The idea of living well beyond one hundred years and enjoying those years in good health used to be the stuff of science fiction No longer C Norman Shealy M D Ph D whom Caroline Myss calls a wizard genius scientist mystic physician offers Life Beyond 100 Secrets of the Fountain of Youth In this deeply learned and revolutionary book Dr Shealy provides a new concept of longevity one that reveals that we can live far longer than current science suggests Basic healthy living and the use of alternative therapies have long been touted as the way to well being but Dr Shealy takes these tenets a step further From the physiology of stress and its effect on the human mind and body to the importance of DHEA from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression from Shealy's electromagnetic framework of life to his recommendations for optimal health Life Beyond 100 presents a detailed roadmap to achieve healthy aging or youthing The result of years of clinical practice and cutting edge research Life Beyond 100 also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry Shealy argues that rather than increasing people's life expectancy these two groups create the opposite effect consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote prescription medicine that is often worse than the ailment itself As a counterpoint Life Beyond 100 provides the most ambitious yet medically grounded and commonsensical longevity program available Easy to follow and supported by advanced research Dr Shealy's guide to uncovering the secrets of youthful aging redefines the concept of human longevity and offers a new vision of healthy living to one hundred and beyond      Secrets of Longevity Maoshing Ni, 2010      **Secrets of Longevity ... **The Secret Mirror** Larry E. Shiner, 2019-06-30 Tocqueville opens the *Recollections* his deeply ambivalent memoir of the failed 1848 Revolution in France with an explicit denial of any literary intent or rhetorical appeal Forced by illness into an unaccustomed state of leisure Tocqueville claims to record his experiences solely for his own amusement holding up a secret mirror through which he will be able to contemplate the past truthfully In this innovative study L E Shiner examines the *Recollections* as a test case of the relation between form and content in historical writing Drawing on current literary theory and semiotics Shiner offers a close reading which at once confirms the inevitably literary character of historical writing and demonstrates how rhetorical analysis of Tocqueville's writings deepens our understanding of his political thought Using the methods of reader response and rhetorical criticisms among others Shiner first analyzes the component genres and narrative structures of the *Recollections* the recurring pictorial and thematic codes and the various voices Tocqueville employs He then confronts the issue of the truth of Tocqueville's treatment of 1848 in part by comparing it with other key texts on these same events Marx's *The Class Struggles in France* and Flaubert's *Sentimental Education* Finally Shiner pursues questions of authorial style tracing the use of some of the rhetorical devices discussed in the *Recollections* through Tocqueville's *Democracy in America* *The Old Regime and the French Revolution* and *A Fortnight in the Wilderness*

**The Secret Gospel of Mark Unveiled** Peter Jeffery, 2007-01-01 In this needed and highly anticipated new translation of the Theban plays of Sophocles David Slavitt presents a fluid accessible and modern version for both newcomers to the plays and established admirers Unpretentious and direct Slavitt's translation preserves the innate verve and energy of the dramas engaging the reader or audience member directly with Sophocles' great texts Slavitt chooses to present the plays not in narrative sequence but in the order in which they were composed *Antigone* *Oedipus Tyrannos* *Oedipus at Colonus* he thereby underscores the fact that the story of *Oedipus* is one to which Sophocles returned over the course of his lifetime This arrangement also lays bare the record of Sophocles' intellectual and artistic development Renowned as a poet and translator Slavitt has translated Ovid Virgil Aeschylus Aristophanes Ausonius Prudentius Valerius Flaccus and Bacchylides as well as works in French Spanish Portuguese and Hebrew In this volume he avoids personal intrusion on the texts and relies upon the theatrical machinery of the plays themselves The result is a major contribution to the art of translation and a version of the *Oedipus* plays that will appeal enormously to readers theatre directors and actors
