Steenmeijer, 2025-10-01 For many literature and marketing are considered opposite phenomena This book discusses cases in which the two are closely connected It argues that literature is subject to the same mechanisms as other commercial products our experience of literary texts is prefigured by brands trademarks that identify a product and differentiate it from its competitors From the early modern period onwards literary authors and their texts are constantly branded and have been both the object and the trailblazer of a complex marketing process The authors of this volume analyze this branding process throughout the centuries focusing on the Netherlands To what extent is our experience of Dutch literature prefigured by brands and what role does branding play when introducing European authors in the Dutch literary field or vice versa By answering these questions Branding Books Across the Ages seeks to show how literary scholars understand branding a phenomenon that has long been intertwined with literature     *Advances in Corpus Applications in Literary and Translation*

*Studies* Riccardo Moratto, Defeng Li, 2022-12-26 Professor Riccardo Moratto and Professor Defeng Li present contributions focusing on the interdisciplinarity of corpus studies with a special emphasis on literary and translation studies which offer a broad and varied picture of the promise and potential of methods and approaches Inside scholars share their research findings concerning current advances in corpus applications in literary and translation studies and explore possible and tangible collaborative research projects The volume is split into two sections focusing on the applications of corpora in literary studies and translation studies Issues explored include historical backgrounds current trends theories methodologies operational methods and techniques as well as training of research students This international dynamic and interdisciplinary exploration of corpus studies and corpus application in various cultural contexts and different countries will provide valuable insights for any researcher in literary or translation studies who wishes to have a better understanding when working with corpora     **Pack El Prisionero del Cielo** Carlos Ruiz Zafón, 2012-04-10     *The Prisoner of Heaven* Carlos Ruiz
