Hong Jiao, Robert W. Lissitz

Ela Administrators Manual 2013:

The Next Generation of Testing Hong Jiao, Robert W. Lissitz, 2015-11-10 This book discusses the RTTP policy fostering new state tests aligned with common core standards assessing higher order thinking skills. It covers the development, scoring, and validity of these tests, highlighting challenges and the transition from old state tests to consortium tests like PARCC and SBAC.

Handbook of Research-Based Practices for Educating Students with Intellectual Disability Karrie A. Shogren, 2016-10-14 The Handbook of Research Based Practices for Educating Students with Intellectual Disability provides an integrated transdisciplinary overview of research based practices for teaching students with intellectual disability. This comprehensive volume emphasizes education across life stages from early intervention in schools through the transition to adulthood and highlights major educational and support needs of children and youth with intellectual disability. The implications of history, recent research and existing information are positioned to systematically advance new practices and explore promising possibilities in the field. Driven by the collaboration of accomplished nationally recognized professionals of varied approaches and philosophies the book emphasizes practices that have been shown to be effective through multiple methodologies so as to help readers select interventions based on the evidence of their effectiveness.

CONTEMPORARY RESEARCH ON LANGUAGE STUDIES Dr. Öznur ATAŞ AKDEMİR, Contemporary Research on Language Studies is a collection of current research and review papers on language teaching learning studies. The book compiles research and review studies on language testing, vocabulary teaching, authentic materials in ELT, L2 writing, distance learning, teaching practices and MALL. Shanlax Publications is proud of presenting state of the art research on language studies.

Journal of Character Education Jacques S. Benninga, Marvin W Berkowitz, 2016-06-01 The Journal of Character Education is the only professional journal in education devoted to character education. It is designed to cover the field from the latest research to applied best practices. We include original research reports, editorials, and conceptual articles by the best minds in our field, reviews of latest books, ideas and examples of the integration with character education, of socio emotional learning and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education. The Journal of Character Education has for over a decade been the sole scholarly journal focused on research, theory, measurement and practice of character education. This issue includes four empirical articles, a practitioner's voice and a book review. Topics covered in this issue include different approaches to character education in the classroom e.g. using literature, narrative writing, how teachers promote character education and how coaches may promote character development.

Resisting Reform Kjersti VanSlyke-Briggs, Elizabeth Bloom, Danielle Boudet, 2015-04-13 This book celebrates grassroots empowerment, documenting ordinary citizens' call to action in education reform. It offers practical guidance for teachers and parents on resisting corporate takeover, high stakes testing, Common Core Standards and more, providing inspiration and tools for reclaiming education.
