Teaching Global Literature in Elementary Classrooms Kelly K. Wissman, Maggie Naughter Burns, Krista Jiampetti, Heather O'Leary, Simeen Tabatabai, 2016-07-15 Demonstrating the power of teaching global literature from a critical literacy perspective this book explores the ways that K 6 educators can infuse diverse texts into their classrooms and find support for their endeavours in teacher inquiry communities Through carefully analyzed ethnographically informed portraits of classroom life alternating with teachers own accounts of their teaching and learning experiences it demonstrates how students are moved to question debate and take action in response to global texts This multi vocal work both emerges from and responds to tensions and debates related to the purpose and practice of literature education in a time of Common Core State Standards

Thinking and Learning through Children's Literature Miriam G. Martinez, Junko Yokota, Charles Temple, 2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author s intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author s message and craft are not

incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children s books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children s literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books Rethinking Social Studies Teacher Education in the Twenty-First Century Alicia R.
